There was no meeting in July due to the proximity to the July 4 Holiday.

HB 23-1105 signed into law This new law was signed by the Governor on 5/24/23. As part of the law HOAs are required to notify their members about the new task force before its first meeting. It is about a HOA task force which is to be appointed by 8/1/23. The responsibility of this task force is to examine issues regarding homeowners' rights. The entire signed into law version is on the State Legislature's website. The HOA information office(in DORA) can answer questions about it. Diane asked P&Z when the new **permit search website** will be on-line and was told it is scheduled to be launched over the weekend on July 21st. I was told that users should automatically be redirected to the new page. The existing website still doesn't have any new information for the month of July. You can still review information through June.

COLUMBINE KNOLLS VOICE

From **COLUMBINE KNOLLS HOMEOWNERS ASSOCIATION Board of Directors Meeting June 13, 2023**

President Twisselman called the Board of Directors meeting to order at 7:05 p.m. The meeting was conducted via zoom. Board members attending: Anita Twisselman, Jean Baden-Gillette, Steve Hantelman, Melissa Irwin, Levi Wood, Lynn Koch, and Bill Weeks Two additional members of Columbine Knolls were also in attendance.

COMMITTEE REPORTS Membership: Lynn Weitzel, chair, was out of town, but President Twisselman reported there were 268 members.

Safety, Beautification and Maintenance: Director Woods told the Board that the banners and one metal sign for the garage sale were stolen from the posted sites. A police report will be filed. He is trying to keep up with the weeds at the entrances. He has received two "high" quotes for brickwork at the Lamar entrance and is waiting additional quotes.

Covenants and Architectural Control: Vice President Garfield was absent, and, thus, no report was given.

Special Events/Programs: President Twisselman informed the Board of the forthcoming events:

Community Garage Sale was June 9th, 10th & 11th

July 4th Parade – Marker Park – July 4th – 9:30 to 11:00 a.m. Kendra Hale is assisting Director Koch with the planning.

HOA Pool Party – July 26th, last Wednesday of July – pool area is reserved; the cost is \$5.00 per person for non-members, members are free. The scheduled time is 6:00 p.m. to 8:00 p.m.

National Night Out – August 1st, First Tuesday in August; this event is sponsored by Casey Herzfeld of Your Castle Real Estate.

HOA Clean Up Day – September 16th, 9:00 a.m. to 11:00 a.m.

Treasurer's Report: Treasurer Baden-Gillette told the Board that the financial reports had been sent to Board members prior to the meeting. (Financial reports can be viewed at www.ckha.org.)

Other Reports: Real Estate News & Website: Director Hantelman reported five homes are under contract and three are available. Two houses, one on Kendal and one on Indore are listed for more than \$1 million.

Director Hantelman reminded the Board that he had sent the Google analytics report to the Board members.

Newsletter, The Voice: Director Irwin asked for pictures from the last year's 4th of July celebration to put in the Voice. A family feature highlighting families in the neighborhood (especially new ones) was suggested. A template for gathering information will be designed and used. Director Koch will work with Director Irwin. Judy Alliprandine suggested that an "Ask..." column be reinstated.

NEW BUSINESS Director Koch suggested a garage sale in August be sponsored by the HOA as kids will be leaving for college and looking for cheap furnishings.

Meeting adjourned at 7:46 p.m

Columbine Knolls South II Review

From President's Corner — We will hold our next bi-monthly HOA Board and members meeting remotely on Tuesday, July 11th at 7:00 p.m. One agenda item will be to discuss the future of the Architectural and Community Standards. As I mentioned in last month's posting, we decided to pause this effort and regroup to ensure the process and outcomes from any new standards fit and are appropriate for our community. The goal for the upcoming meeting will be to discuss whether the board wants to restart this effort or not, and if so, what the process and framework for undertaking this work would look like. It is likely (and preferred by the board) that any future work on these Standards would be a collaboration between the board and our member community. Please attend the remote meeting on July 11th if you would like to participate in this discussion.

I'm amazed by how much exterior work is being done throughout the community considering the damp weather we've had all spring. Several roofs and paint jobs have already been completed, and the color combinations are striking! It is undeniable that choosing the right exterior paint and/or roof colors adds value to your home. Here's why.

Curb Appeal: A well-chosen color scheme significantly enhances the curb appeal of your home because your home looks visually appealing and well maintained.

Cohesiveness: Careful selection and coordination of your colors (body, trim and doors) creates a harmonious and visually pleasing professional look.

Staying Current: Staying updated with current color trends and market preferences is important, and it undeniably gives your home an advantage because your home will be perceived as more contemporary and exude a more desirable feel.

Perception of Maintenance: A well-maintained exterior, including the right paint and roof colors, gives the impression the home has been cared for. Buyers will associate a well-kept exterior with proper maintenance overall, leading to an increased perception of value.

I'm also seeing several landscape improvements that have already been completed and many that are underway despite

the soggy weather, so kudos for battling through it! Unfortunately, the combination of very wet weather and very strong early spring winds has taken its toll on our fences. Regardless of the style of fence you have (solid pickets or split rail), it's time to address any needed repairs. Please assess the condition of your fence and make the necessary repairs as soon as possible.

Lastly, we had a very busy social and events schedule with the Community Garage Sale, Paint Recycling, Large Item Pickup and the Rolling into Summer Bike Parade and Car Show all happening in June, and I hope to post the results and pictures of these events in my August letter. — *Tom Schicktanz – President, CKSII HOA*

Columbine West Civic Association Newsletter

From A Moment with the Board Our June monthly meeting was held at Victory Park, under clear skies and no rain. We had a couple guests drop by to see what is happening with the association and neighborhood. Our Committee Chair, Cyndi, updated on the July 4th Bike Parade. As the event gains more participation the Board will evaluate and bring more budget to the event. Annual Dumpster Day Event, at the Dutch Creek Elementary parking lot, June 17th. Dumpsters will be delivered on Friday afternoon and the parking lot secured to help avoid any unauthorized dumping. Our metal recycling crew will be on location to gather all disposable metals. Plans are getting underway for the 4th of July Parade, looking to include some new features this year. We have not heard any updates on the potential opening of the pool this Summer. We are planning to continue our partnership with Dutch Creek PTSA to participate with Trunk or Treat in October. More details to come. There are OPEN slots for a couple more Board Positions. Feel free to contact CWCAtalk@gmail.com if interested. The Covenant Control Group asks that neighbors remember to store trashcans out of site as well as RV's, boats and trailers behind the fence. It is never the intent of the CCG to 'harass' a homeowner, but to update them of a violation. Please drop a note to CWCAtalk@gmail.com if you need to speak with a committee member. The community is held to a standard by being 'Covenant Protected'. Continue to watch for more news on upcoming Events on the website. The email line has had Title Companies and Realtors writing in for further information about our community, as representatives to their clients. We really appreciate them reaching out through the website and asking for clarification. Our new website has been helping the Board volunteers manage questions, concerns & comments. Stop by the new website www.CWCA.info, which will have all the information you need. You can also connect with us at a Monthly meeting, the next one is July 11th, 6:30pm at Victory Park. Drop in, say Hi and meet a friend.

The Leawood Reporter

From Leawood Metropolitan Recreation and Park District Minutes June 14, 2023 The meeting was called to order at 6:18 p.m. by President Kyle Sargent. Members present: Judy Anderson/Vice President, Donna Snyder/Treasurer, Maggie Tocco and Myra Pasco. Other District: Debby Baker/Secretary and Dave Padilla/Park Manager. Visitor: Dutch Creek Resident Craig Peterson.

Public Comments— (1) Baseball field in Leawood Park needs to be cleaned up. Board Response: Because of the amount of rain we've had, the clean-up was delayed. The clean-up will be done as the weather allows. (2) The electrical outlet box at the Weaver Park shelter area is damaged. Board Response: The outlet box was damaged by vandals (the box was pried off the wall and left hanging). It has been repaired. (3) A sign at the first bridge in Weaver Park is hidden by foliage. Foliage growth is partially blocking the north end of the bridge and encroaching onto the sidewalk to the east. Board Response: Because of the extra rain bushes in all of the parks have grown significantly. The trimming will be done as weather allows. (4) The gutter is clogged and there is a damaged downspout at the Leawood Park pavilion. Board Response: Dave will investigate and take action as needed. (5) Some of the new trees have died in Leawood Park. Board Response: Dave is aware of the issue and is evaluating what needs to be done. (6) The mowing at Raccoon Holler was the worst. Board Response: The mowing in question was done when the grass was still wet and didn't go well. As a result, the mowing was stopped until there were better conditions.

Treasurer's Report – Donna presented the Treasurer's Report. Bills to be paid this month include Weston, Waste Management, Xcel Energy, Denver Water, Doggie Walk Bags, Honey Bucket, Denver Brass Company (sprinkler parts), Game-Set-Match (new tennis net), USPS (annual PO Box rental), Dave's invoice, and reimbursement to petty cash.

Parks Manager Report – All parks were mowed, irrigation inspected and activated, repaired sprinkler heads, doggie bags checked and replenished as needed. And aeration was done in Leawood and Weaver parks and T Track.

Leawood Park: The patio deck at the pavilion will be repaired next week. Changed out zone #3 valve.

Weaver Park: A new tennis court net was installed. The volleyball area will be removed and returned to native grass in September. T Track: A 2 inch pipe was repaired.

Old Business –Update of 2023 projects: (1) Deck repair at Leawood Pavilion will be done next week; (2) Dave met with contractor to evaluate tree trimming needed in Raccoon Holler park. He is waiting for the estimate; and (3) Dave is compiling a list of the concrete that needs repair.

Recruitment for the Board: The Park Board now has five members. However, there are two previous members who stepped up to fill positions because of the unexpected vacancies, who would eventually like to retire. The Board is still looking for members to work with the Board during the transition and to become directors when retirements occur. The ad in the Reporter will run again. As of meeting time, no one has responded.

Record/file storage, retention: Maggie is going through boxes and separating out what does not need to be retained in

accordance with the Colorado State Archives Special Districts Records Management Manual.

New Business—Officer Elections: The Board decided that the current Board Officers will remain in their positions.

The meeting was adjourned at 8:07 p.m. —*Debby Baker, Secretary*

From LCA Minutes Tuesday, June 6, 2023, 6:35 pm. Attending: Debbie Zummo, Kate Shafer, Camile Sankey, Travis Hall, Mike Major, Betsy Major, Kyle Evans, Rhonda Eveleth, Paul O'Connor, Nancy Bock, Dave Sarno, Laurie Sarno & Desiree Robinson Beuton (Guest).

Discussion: Treasurer report provided. Laser tag price dropped but mail box did increase. Garage sales went well in May.

Discussion of another Sale in September. Food trucks to hopefully start soon scheduled for every other Thursday at Leawood Park. June clean up event to start at 7am at Leawood Elementary. Front yard parties to start on Friday at 6:30pm.

So far 8 parties are scheduled. Car & Crafts show will run from 10-2. 10 crafters have signed up to participate. Leawood Picnic plans proceeding set for August 26th. Price TBD as prices have gone up on everything.

Meeting end: 7:20pm.

Woodbourne

From Notes from the June Board Meeting—Happy summer, officially, to all. June presented us with many days of stormy weather that I hope has saved us all a bit on our watering bills. As we look forward to the Fourth of July, and then quickly to the new school year, our pool season will already be half over.

We are again looking forward to making some fundamental updates to the pool this year. We learned from our new pool management company that many required repairs were not communicated to us by our old pool management company. The chemical controller was replaced and now the management of chemicals is being regulated by the pool and not manually by our lifeguards. The tanks where the chemicals are released into the pool are leaking and have been for many years. Those will need to be replaced. Unfortunately, the damage to the wader pool was more extensive and we are still deciding whether we can safely keep it open this season.

We are preparing quotes and contractors to ensure that the work is started as soon as the pool is closed for the season and will not impact next season. We do have a beautiful new pool access gate. It is reinforced with an exit bar to ensure proper closure and latching, and is compatible with our pool fobs. If you are experiencing issues accessing the pool with your fob, please reach out to ACCU Inc. (Support@ACCUinc.com). Finally, by popular demand, we will be posting wifi access information for the clubhouse wifi network at the clubhouse.

Hopefully, many of you were able to dispose of unwanted paint and also took full advantage of our garage sale and large item trash pick up events. In August we will hold our electronic disposal/recycling event. See the Special Events calendar in this newsletter. 3R Technology Solutions is again providing this service. The only disallowed items are smoke and CO detectors, thermostats, and light bulbs. Although this is a free event, there is a \$30 charge (cash/credit) to recycle televisions.

Finally, as a part of our continual review of the covenants and processes, the Board has made its decision regarding exterior painted brick. After careful consideration and consultation with Sherwin Williams and three masons, the Board has approved exterior brick painting. That said, there are specific steps, guidelines, and maintenance schedules that will be required. We will be sending out a separate correspondence with the new paint request form and the required steps for painting your exterior brick properly. The Board will keep track of each request and follow up to ensure compliance. This will be strictly enforced by the ACC guidelines.—*Woodbourne HOA Board*
