## THE BACKYARD

### *Columbine Hills News*

**From Notes From The Board** — Mayday! Mayday! CHCA Needs Your Help! After many years of paying for ever-increasing postage to mail the monthly newsletter, we have come to the decision to deliver the newsletters ourselves. In talking with the folks at Colorado Lasertype, it is clear that we are the largest Civic Association or HOA in this area still paying to have the newsletters mailed. Most other comparable communities hand-deliver their newsletters. The newsletter is free to us, paid by advertisers; however we are now paying nearly \$400.00 in postage monthly and that amounts to nearly \$4800.00 annually. This community can do so much with that money. So here it is: we need at least 10 walkers or walking partners who would commit to delivering the paper to about 100 houses a month. More volunteers will make it even easier. This could take between one and one and one half hours of your time every month, right around the first of the month. We know you already walk. Add a satchel of newsletters and walk to help out the neighborhood. You do not need to do your section on one day only; we will each have two or three days to accomplish this. July is the month we shall begin. Since CHCA is an all-volunteer organization we cannot pay you, but you can expect to be surprised from time to time with a perk or three. We also plan to celebrate the walkers with a picnic later in summer. Come on, all you walkers; help us out. It is a great reason to get up and put your shoes on, get some exercise, help the community, meet some neighbors, and it's only once a month! Contact us at [ColumbineHills80128@gmail.com](mailto:ColumbineHills80128@gmail.com), or call me directly at 720-334-2876. Thank you. We are really excited about this, and look forward to hearing from you soon. — *Galen Wiese, CHCA President*

### Columbine Knolls South II Review

**From President's Corner** — Andi Erpelding-Elkins (board director) and Julia Bate (HOA member) continue to engage sign companies for proposals to replace the West Chatfield Avenue and South Yukon Way entrance signage. They have received one proposal so far with one or two more pending. Our goal is to have the proposals ready for board review at the upcoming May 10th HOA meeting. We've had interest from HOA members to provide content in our newsletter, and we are working to create space so members can contribute. Toward this goal, we decided to free-up space in the newsletter by removing the board meeting minutes from the newsletter in favor of creating a page on our website. You can find the board-approved minutes by clicking on the Important Documents tab in the upper right of the homepage and going down to Meeting Minutes. If you are interested in providing articles or other content, please contact our newsletter editor at [cksiinewsletter@gmail.com](mailto:cksiinewsletter@gmail.com). The social and event committee has solidified the events for 2022, and those events and dates are provided in this edition of the newsletter and can also be found on our website at [cksii.org](http://cksii.org). I want to thank everyone on the social and events committees for getting together to plan these events! The Community Gar-

age Sale is scheduled for Friday, July 15th and Saturday, July 16th. Jennifer Blake sponsors this event, and you can find more information as the date approaches on Nextdoor and our website. We will then hold the Large Item Pickup for HOA members who subscribe to the HOA sponsored Waste Management trash program on Wednesday, July 20th. Details about what items are and are not accepted can be found on our website. It's great to see neighbors out working in their yards after a long winter. Please remember to assess the landscaping near your sidewalk and common areas. Now is a great time trim back trees and shrubs that are encroaching the sidewalk, common areas, or traffic signage. Taking care of your trimming and pruning now, before vegetation buds-out, is far easier in terms effort, and produces far less landscape debris! Lastly, Stephanie Haberkorn (landscape committed chair) has scheduled the annual cleanup of the West Chatfield Avenue and South Yukon Way entrance for Saturday, April 30st. Unfortunately, the timing of this event is such that you will be reading this newsletter after this work has been completed. If you saw them out there, I hope you gave them a honk of the horn and a big thumbs up! I will report how the cleanup went in the June edition of the Review. The Architectural Control Committee (ACC) is starting to see an uptick in requests for painting, windows, fencing, concrete work, and landscape improvements. As I mentioned in detail last month, please make sure you submit your ACC requests as soon as possible to allow the ACC time to review your requests. As a reminder, in general, (regardless of whether you are an HOA member or not) any improvement to the exterior of your home or to your property, which is visible to the public, requires approval of the Architectural Control Committee. — *Tom Schickanz, President CKSII HOA*

## Columbine West Civic Association Newsletter

*From A Moment With The Board* The April monthly meeting on Zoom gave us time to start collecting information and ideas for upcoming Events, along with a small snapshot of the Easter Egg Hunt participation. Our Bunny made an BIG appearance on April 9th, at the Columbine West pool park. Best guess on attendance was around 75-80 kids and so many parents & grandparents we lost track. The kids were divided into age groups and given specific areas to hunt, allowing the littlest ones to stay close to the park pavilion and the biggest ones to run around the school playground area. Go Bunny! Check out the Front Page for more information on the Annual Garage Sale May 13/14th. Information on how to participate is also on the website. Elections for Officers /Board Members will be in May. If you would like to have your name considered for a position, added to the Slate of Elections, please contact [CWCAtalk@gmail.com](mailto:CWCAtalk@gmail.com). The association would like to offer a Chalk Walk Contest during the Summer (July) when the kids are out of school. This event could be compared to the tradition of Cherry Creek Arts Festival, resident artists (neighborhood kids & adults) creating temporary chalk artworks to be enjoyed by our Columbine West community. A new Committee Chair would plan, host and secure Judges for the event. There is a budget available for supplies and refreshments. If interested, please drop a message to

CWCAtalk@gmail.com, we would love to see this event come alive. Covenant Control Committee has monitored the neighborhood and documented 240 violations, which comprises 16% of total residents. Violation Letters are being sent out. It does take time and effort to keep these violations under control, each neighbor is asked to do their part too. Continue to check the calendar on the front page of the monthly newsletter or stop by the new website [www.CWCA.info](http://www.CWCA.info) and check out what's happening. Please feel free to contact CWCAtalk@gmail.com with any other ideas you would like for us to work on. You can also connect with us at a Monthly meeting. Drop in, say Hi and meet a friend

## Westbury

**From the Mind of the President** —The most important thing we do as a Homeowners Association (WHOA) is make opportunities to get to know one another and help one another as neighbors. We build and maintain our community through service projects like the Spring cleanup day and the large item dumpster drop; through fellowship at potluck

gatherings before our WHOA general membership meetings, the annual National Night Out and Christmas party; through awards like the scholarship for a graduating high school senior; and at gathering spots such as the Little Lending Libraries (one located in north and south Westbury,) or during the community-wide annual garage sale in September; and other events suggested and organized by you, our neighbors and members. We are currently looking for people to work on a summer fair with food and games, and a progressive dinner for adults in the fall. Please contact me if you're interested in organizing or attending either of these events.

WHOA dues are voluntary, and only \$20.00 per year, until they go up on June 16th to \$25.00 per year. So what do these voluntary membership dues buy you? While all our neighbors are welcome to attend our potlucks and meetings, only "Members in Good Standing" are eligible to vote, that is, those who live here in Westbury and have paid their dues for the current year. Only those High School Seniors who live in households that are Members in Good Standing are eligible to apply for our scholarship, and only Members in Good Standing are allowed access to our large item dumpster drop without paying the standard fees. Mostly though, becoming a member in good standing better connects you to our neighbors, and makes Westbury a better community.

This month we'll be dropping off a membership form and pre-addressed envelope, to make it easy for you to join. If you're already a member for 2022, please ignore it – and THANK YOU for your dues! If you're not yet a Member in Good Standing, please take a few minutes to put \$20.00 in the envelope, along with your name, address, phone number and email address. Pop it in the mail or drop it off to the address on the envelope. Then please come participate in some of the events we have planned for 2022. We look forward to getting to know you! God bless and keep you all —*John Gaudio, current president, WHOA*

## Woodbourne

**From Note From The Annual Homeowners Meeting** —The Annual Homeowners meeting was held on April 13, 2022. Thank you to everyone who submitted their proxies. This meeting couldn't have been accomplished without you. There were about twenty homeowners present. The most active discussion surrounded the topic of updating the ACC guidelines for paint colors. The Board committed to investigating the best, and most inclusive way, to adjust the ACC paint guidelines. The annual budget, recent reserve study, and likelihood of another dues increase next year was also discussed at some length. The neighborhood Easter Egg Hunt was a huge success on Saturday, April 16, 2022. Dozens of families participated and probably close to 100 children between the ages of wee little and 12. It was a chilly April morning for sure but everyone had an amazing time. Thank you to Board member Sheryl Archuleta for making this a success. The top border tile on the pool is being replaced this spring before the pool can be filled. We have encountered some difficulties with supply-chain issues and we are working closely with the contractor to get this work completed as soon as possible in hopes of not having to delay the pool opening. Our next regular business meeting will be held on May 11, 2022 at 7:00 p.m. In the meantime, please contact Celeste Terrell (303-265-7875) or Natalie Herschberg (303-793-1417) with CLA with any questions.
